17 Nov 2017 . Almost everyone in this world will agree that snakes, in one way or another, look scary. The moment we see them, we immediately think of running. Our minds automatically tell us that these crawling creatures will either wrap itself around or bite us. Heck, even in our literature, snakes symbolize treachery. I find it odd when I keep hearing the correlation of snakes with wisdom. I know it is an ancient concept for thousands of years even before the biblical account of Eden with Adam and Eve. Also it eats mice. Another one is the owl. Ok, it can swivel its head almost 360 degrees without moving its body.
