Beschreibung

Schon im ersten Band dieser Fantasy Trilogie wurde Finnley vor gewaltige und gefährliche Herausforderungen gestellt, seit sie ohne ihre Erinnerung irgendwo auf der Erde zu sich gekommen war. Dies soll im zweiten Band seine Fortführung finden ...

"Dir, Finnley, überlasse ich die ehrenvolle Aufgabe ...", sie lacht hämisch, "ihn zu töten." Doch vorerst kommt sie zusammen mit ihrer Mutter zu einer riesigen Weltraumflotte, wo sie in hartem Kampftraining lernt, ihre besondere Kraft zu kontrollieren, die sonst alles zerstören könnte. Dort lernt sie auch ihre Schwestern kennen, die alle nicht unterschiedlicher sein könnten und von denen sie vorher nie etwas gehört hatte. Zusammen werden sie auf ihre Mission vorbereitet.

Ihre neu gefundene Freundin von der Erde, Emily, muss ohne sie weiter nach ihren ebenfalls verschwundenen Erinnerungen suchen. Mit Hilfe ihrer besonderen Gabe, die ihr immer kurioser erscheint, scheint sie langsam ans Ziel zu kommen.

Auch Luke musste sie auf der Erde zurücklassen, obwohl sie sich ineinander verliebt hatten. Um ihr nach der Abreise einen letzten Gefallen zu tun, versprach er ihr, dass er jetzt Emily bei dem helfen werde, was sie so lange und fanatisch gesucht und scheinbar gefunden hatte - ihre Mutter.

I was looking stuff up online and i know the -ley is trending for girls names.... do you still think Finley "Finn" is masculine enough? I would just name a kid Finn, but DH thinks it's like giving a kid an unfinished name. Finnley seems a little more masculine but i don't love the double -n's. <http://nameberry.com/babynames/Finley/>.
