Der Survival-Horror-Schocker The Evil Within ist das neue Videogame-Highlight von Shinji Mikami, dem Schöpfer der legendären Resident Evil-Reihe, nach der zahlreiche Romane, Filme und Comics entstanden. Der britische Comic-Autor Ian Edington (Warhammer, Star Trek) erzählt in diesem Band nun die offizielle Comic-Vorgeschichte zum neuen Grusel-Videospiel-Kracher The Evil Within. Doch auch wer das Game nicht kennt, wird sich von der krassen Welt, die der Comic zeigt, bereitwillig schockieren lassen...

12 Oct 2017 . The Evil Within 2 doesn't take the rich, psychologically disturbing premise and gorgeously grungy aesthetic of the first game to their full potential; if anything, it regresses in a few unfortunate ways. But despite the rough edges, this third-person thriller is still strangely enjoyable, much like the company of this.

The Evil Within chronicles the forces at play in a society and in the human mind that can enable these atrocities to occur. 16 Oct 2014 . By Lucy O'Brien After my 23.5 hours with The Evil Within on its standard Survival mode, I was informed I had been eaten alive, had my head shattered, and my torso sliced into thirds a whopping 218 times. This wickedly creative, tense, and yes, tough game does not suffer fools gladly, yet I was compelled to.

27 Nov 2017 . Last night, I played The Evil Within 2 on Kotaku's Twitch channel. I expected a linear series of monsters and scares but instead found a loose, semi-open world structure that made me feel anxious and helpless. It's a chaotic, freeform take on horror that make every encounter unique and scary.

19 out. 2017 . The Evil Within 2 é um jogo estranho. Tudo sobre ele parece estar preso entre duas forças. Seu estilo de terror é um irmão do meio que quer ser Silent Hill mas não consegue se livrar das amarras de Resident Evil. Seu gameplay hora se mostra em sincronia com os avanços do meio, hora parece estar.

12 Oct 2017 . When I reviewed the first Evil Within way back in 2014, I was decidedly mixed on Shinji Mikami's return to survival horror. The graphics were great on the surface, but only within a letterbox and they struggled to run at 30fps at times. The game didn't feel cohesive and consistent, like Mikami and company just.

16 Oct 2017 . The Evil Within 2 begins by wearing its heart on its sleeve; here's a burning house, and oh no, the protagonist's daughter is inside it. From the outset, it yells in your face that this is going to be a Tragic Dad story, the most beloved of videogame narrative tropes. And it never really rises above this familiar.

17 Oct 2017 . Gary Bailey: "not only does it erase my bad memories of the first game, but The Evil Within 2 is one of this year's best horror games."

12 Oct 2017 . Innovating within the bounds of horror's familiar tropes and rules is a difficult task, but one that The Evil Within 2 handles with grace. Developer Tango Gameworks cleverly introduces old-school horror design within the confines of a semi-open world that ultimately makes for a refreshing trip into a world of.

“Are you okay?” Sebastian asked in a worried tone immediately after turning away from a workshop. He's been working there for a while, making more bullets for his next mission. It's been awfully quiet the entire time, so it didn't even cross his mind that someone else may be in the room with him. But there was Stefano.

16 Oct 2017 . It's oddly fitting that former detective Sebastian Castellanos, protagonist of The Evil Within 2, doesn't seem to remember much about the first game. Tango Gameworks' 2014 horror-action game was awfully unmemorable for players, too. I certainly didn't remember much more than poor ol' Seb when I booted.

20 Oct 2017 . While excellent horror games are released year-round (Resident Evil 7 was by all

means, incredible, and came out in January), there's usually at least something new in horror that drops closer to Halloween, and this year, it's The Evil Within 2. Like most video game sequels, don't stress that it's a sequel,.

26 Sep 2017 . There's a special place in my heart for survival horror games that offer more than your run-of-the-mill jump scares and moaning zombies. (See: Fatal Frame, Silent Hill 2, Outlast.) Rarely does the genre offer up a story that aims to both scare the crap out of you and tug at your heartstrings, but that's exactly.
