Beschreibung

Ulrich Gebert setzt sich in seinen konzeptuellen Fotografien und Installationen auf teils kritische, oft humorvolle Art und Weise mit dem kulturell geprägten Verhältnis des Menschen zur Natur und seiner Umwelt auseinander. Er entwickelt seine Arbeiten auf der Grundlage von gefundenem Bildmaterial und Objekten. Das Spiel mit der Ästhetik verschiedener Materialien und Displayformen wird hierbei ein wichtiges Element seiner künstlerischen Arbeit. In diesem liebevoll gestalteten Künstlerbuch präsentiert Gebert aktuelle Arbeiten, die uns über Mensch, Tier und das Andere nachdenken und schmunzeln lassen.

Ulrich Gebert deals in his artwork with the relation between man and animal. Thus his catalogue »a Rat is a Pig is a Dog is a Boy« reminds in its materiality of a scientific biology handbook: soft plastic cover and rough yellowish paper. The black line in the middle of the spread represents the thematisation of this juxtaposition.
