16 Nov 2017 . In tablet mode, the Surface Book 2 is almost comically large, but it's still relatively easy to hold and only about as heavy as a hardcover graphic novel. It's not meant to completely replace smaller slates, instead it's a screen you can yank out when you need to read a long article or just watch a movie in bed.

The chief reason for this contrast is that the former do not think of the ills they endure, while the latter are forever brooding over advantages they do not possess. It is strange to see with what feverish ardor the Americans pursue their own welfare, and to watch the vague dread that constantly torments them lest they should not.
