Beschreibung

Die spannendste Kunstform des 21. Jahrhunderts: Street Art boomt!

Vor einigen Jahren noch als illegales Treiben einer Handvoll Aktivisten unter Strafe gestellt, hat sich Street Art in den letzten Jahren als eine der vitalsten und kreativsten Kunstformen nicht nur in den Medien, sondern auch auf dem Kunstmarkt etabliert.

Heute werden Graffitis nicht mehr nur gesprüht, sondern mit Licht an die Wände riesiger Hallen projiziert, Hausfassaden mit dreidimensionaler Origamikunst geschmückt und Straßenschilder in Guerilla-Knitting-Aktionen umstrickt. Diese neue Form der Street Art ist ein aufregender Mix aus Materialien, Motiven und Techniken. Das Buch stellt in 28 Porträts internationale Straßenkünstlerinnen und -künstler vor, deren Kunstwerke und Installationen ihre Betrachter mit einem Augenzwinkern verzaubern und das Stadtbild von Metropolen auf der ganzen Welt prägen.

11 Jul 2017 . A flourishing street art culture in Chow Kit, which is a sub-district in central Kuala Lumpur.
