A full-time professional musician of over 40 years standing, he has not only earned an enviable reputation as an innovator and pioneer on the frequently under-estimated diatonic harmonica, but is also a highly regarded teacher and author of groundbreaking books about the instrument including *The Harp Handbook* (1990).

But this elaboration of bourgeois individualism was not to satisfy Morris for long, and the story of his subsequent poetry becomes his endeavour to restore the poetic voice to a role in the community—like blind Homer, maker of songs, or the bard who intoned *Beowulf* to the harp. *THE EARTHLY PARADISE* In 1886, Morris.

Steve Baker did too and, after he became a consultant for Hohner in 1987, tried to persuade them to make a 13-hole harp (as noted in his 1990 book *The Harp Handbook*).
