Looking for books by Yuichi Yokoyama? See all books authored by Yuichi Yokoyama, including Yuichi Yokoyama: New Engineering, and Garden, and more on ThriftBooks.com. If you put the first three Yokoyama Yuichi books together, you have a composite image of the development of a landscape for leisure tourism in Japan, and a playfully dystopian view of its ramifications. In New Engineering, there is the construction of various sorts of landforms and public works projects mainly for recreational.

Published by PictureBox (2011) 204 Pages, 15 x 21 cm, Paperback, Edition of 1,000. The book was designed and edited by the artist himself. It seamlessly integrates his lush painted canvases (often presented as gatefold pages) with a sequence of comic strips in a variety of techniques: photography, loose marker drawings.

Yuichi Yokoyama: Color Engineering [Yuichi Yokoyama] on Amazon.com. *FREE* shipping on qualifying offers. Comic artist Yuichi Yokoyama (born 1967) draws wordless narratives of scenarios that verge on visual abstraction. Stripped of any detail that might orient them in the past.
